THE 1920 CONVENTION

Pittsburgh, Pa., Aug. 12, 1919.

Editor International Musician:

A Federation Committee consisting of President Joe N. Weber and Treasurer Otto Ostendorf, visited Pittsburgh on Monday, August 11th, to enter into negotiations for hotel accommodations for the "Silver Jubilee" Annual Meeting of the Federation, Monday, May 10, 1920.

The hotel selected is the William Penn, one of the finest hostelries in the United States. The William Penn is situated on Sixth avenue, above Smithfield street, in the very heart of the city.

There are almost 900 rooms in this establishment and every delegate will have a room with a bath and in no case more than two delegates in one room.

The Convention will convene in the grand ball room which is a "Salle de Luxe" having a seating capacity of over 1,000.

In short the jousting ground on which the knights of linguistic debate will meet in 1920 to deliberate and legislate for the interests of the followers of the Divine Muse will be replete with every modern convenience, or, to pilfer from the stock of a late vaudeville monologist, we must say "improved with all the latest model impediments."

During the thirteen consecutive conventions which I have had the honor to attend, I have heard considerable about the city of the Golden Gate; there have been sibilant whispers pertaining to the Quaker Hamlet called Philadelphia; some of the lake breezes around and about Chicago have blown over us frequently; distinct echoes have been heard from "way down in Oklahoma"; clarion voices have dodged in amongst us from the classic environments of Boston, not to speak of the zephyr-like lispings which were intended to convey the assurance that that little village called "Noo-Yoik" was a part of of the general melee until with stentorian persistence the "previous" question brewed in Milwaukee—(Oh, those happy days, now gone forever) and fostered with great care, jammed the throttle, shut off the steam and brought to a stop the vocal parade of the manifold virtues and vices with which the favored few mentioned herein and many others were afflicted.

In all those years I will admit you have heard an "awful" lot "from" Pittsburgh, but not very much "about" it. The reason is not so much that we were suffering from an oversupply of modesty but rather because we were overwhelmed with the imposing array of scintillating brillance reflected by the mastodonic achievements of the other "burglets" as compared with those "down our little alley."

You will have to come to Pittsburgh to understand the case properly. We promise to show you more streets that need re-paving, more hills that need re-grading, more water that needs filtering and a few clouds on which oxalic acid might well be applied, in fact we have more of everything that nobody brags about than anybody else, and that is why our bosom swells at having "gotten away with it." If you play poker while you are here, we advise that you ring in a double pinochle deck in order to have a reasonable chance to open with a "pair of jacks or better."

It is a fact that yesterday a traffic policeman placed a red ticket on my automobile summoning me to police court, just because I was "trying" to play gentleman to the Federation President and Treasurer.

Believe me all this other stuff you have been hearing will make way for the "negative" things you will have to say about this town in future meetings, and I have a growing suspicion that if that Milwaukee anesthetic is attempted while the tirade is in progress there will be a funeral about the central line of the western shore of Lake Michigan or a little further down.

After all, with due consideration for your feelings and the valuable space of our official organ, I shall have to close with the one assurance, i. e., the hotel is alright. It is the best we have. As to the rest—come to Pittsburgh if you have the courage. We promise you nothing that others have not already done and all we ask is that you do not deprive us of anything you do not want.

Fraternally yours,
W. L. MAYER,
President Local 60,
Pittsburgh, Pa.

PLAYING TWO INSTRUMENTS "SIMEONTANEOUSLY" AGAINST ALL UNION RULES AND REGULATIONS!

IMPORTANT TO ALL MEMBERS

Washington, D. C.,
July 25, 1919.

To the Secretaries of the National and International Unions, State Federation of Labor and Central Labor Unions.

Dear Sirs and Brothers: The Atlantic City Convention of the American Federation of Labor, held June 9-23, considered the dispute existing between organized labor and the Willys-Overland Company, Toledo, Ohio, automobile manufacturers the basis of which is, briefly, as follows:

For the past three years the eight-hour day, with Saturday half-holiday, has prevailed in the plants of the Willys-Overland Company. On May 5th, while negotiations for a new wage adjustment were in progress, the company arbitrarily increased the working hours from the forty-five-hour basic week to the forty-eight-hour basic week, and, denying the right of collective bargaining, insisted that instead of meeting committees selected by the various unions to negotiate wages and shop conditions, all committees in the future must be selected under a plan prepared by the company. The members of the various labor unions involved insisted upon maintaining the conditions which organized labor had established in the plants, which resulted in a lockout by the company.

In an effort to aid in an adjustment the convention authorized President Gompers to name a committee of two to proceed to Toledo for the purpose of an interview with the management. Mr. C. L. Baine, Secretary-Treasurer of the Boot and Shoe Workers' Union, and Mr. John A. Woll, President of the Glass Bottle Blowers' Association of the United States and Canada, were selected and proceeded to Toledo on this mission.

At a meeting of the Executive Council held immediately upon the adjournment of the convention, the special committee reported that they had visited Toledo for the purpose of aiding in an honorable adjustment of the matters in dispute between the organizations involved and the company, but that their efforts were re-

pulsed, the company insisting upon its own arbitrary course.

The convention considered a resolution which requested the national and international unions to circularize their local unions and that the Secretary of the American Federation of Labor communicate with all Central Labor Unions, calling attention to the unfair attitude of the Willys-Overland Company toward union labor, and decided that this action should be taken in the event that the special committee should fail in its efforts to promote an adjustment.

Pursuant to the action of the convention and the refusal of the company to grant recognition of the rights and interests of our fellow workers involved in this dispute, the Executive Council directed that these facts should be communicated to all organized labor and friends.

Secretary, American Federation of Labor.

Get Out of the Rut!

If you are "plugging along" at music without getting anywhere in particular, do what others have done---make yourself efficient.

It is the lack of a fixed purpose---the lack of a definite aim that is responsible for many failures found in the music ranks today.

PREPARE YOURSELF FOR THE JOB AHEAD

When Will You Be Called to Direct?

AND HOW WILL YOU DO IT WHEN THE OPPORTUNITY OFFERS?

The Vander Cook Course of Directing is not for directors only, it is for every musician who feels that he may, some day, be called upon to direct a Band or Orchestra.

This course teaches you how to interpret music, how to direct your Band or Orchestra gracefully and intelligently, it gives you confidence in yourself, and makes you a better musician.

Now is the time to study for the big event.

Don't wait to study AFTER the opportunity has presented itself, prepare yourself NOW.

THE ACTORS' STRIKE.

In a statement recently issued, Mr. Bruce McRae, the Vice-President of the Actors' Equity Association, clearly summarizes the situation. Among other things Mr. McRae says:

The managers prefer to deal with the actors individually, well knowing that in the event of a dispute the individual actor has no opportunity to obtain fair treatment when opposed to capital.

It was for the protection of the small salaried individual that the Actors' Equity Association was organized six years ago, and since that time by sheer moral force, backed by a large and ever increasing membership, it has eliminated many of the old injustices imposed on those who were not sufficiently influential to protect themselves.

After three years of effort, the managers finally agreed to use the Equity contract, but only two out of forty developed any sincere intention to abide by their promises, and at the expiration of the experimental period agreed upon, they flatly rejected the contract and stated that in the future they would use their own. All efforts to have the points at issue submitted to arbitration, were rejected by the managers, although the Hon. Wm. H. Taft and ex-Governor Hughes had generously consented to act as the arbiters.

At the last meeting between the committees of the two opposing associations, the managers declared they would not deal with the Actors' Equity Association under its present affiliations, thereby creating a deadlock. All negotiations having failed, the Actors' Equity Association resolved not to render any further services for any member of the Producing Managers' Association until the latter would agree to recognize the Actors' Equity Association as the representative of the actor and to issue the Equity contract.

The peculiar aspect of the situation is that no question of wages enters into it, and also that the demands made are not asked to be granted until the season of 1920 and 1921, granting opportunity of adjusting their business relations with their actors.

The present strike is an absolute altruistic movement devoid of any materialism. For the first time in the history of bodies organized for mutual protection, the highest salaried workers, specialists, who have never had any grievances with employers, and have nothing whatever to gain, but a great deal to lose, have gone out on strike for a sheer matter of principle and for the exercise of their God-given right to help their co-workers to secure a fair working agreement.

One abuse we wish to remedy is that the chorus girls shall not rehearse longer than four weeks without pay, and that after four weeks, half salaries shall be paid them. Also they shall not have to pay for their stage shoes and stockings

HERE'S LATEST H. C. OF L. SCORE CARD.

In 25 of the principal American cities the cost of living runs from 70 to 95 per cent higher than it was in June, 1913, six years ago. Figures are compiled on the cost to the consumer of twenty-two principal articles of food, weighted according to quantity used and which are:

Sirloin steak, round steak, rib roast, chuck roatst, plate boiling beef, pork chops, bacon, ham, hens, fresh milk, butter, cheese, lard, eggs, bread, flour, corn meal, rice, potatoes, sugar, tea and coffee.

ROOSEVELT MEMORIAL ASSOCIATION.

The Roosevelt Memorial Association has been formed to provide memorials in accordance with the plans of the National Committee, which will include the erection of a suitable and adequate monumental memorial in Washington; and acquiring, development and maintenance of a park in the town of Oyster Bay which may ultimately, perhaps, include Sagamore Hill, to be preserved like Mount Vernon and Mr. Lincoln's home at Springfield.

In order to carry this program to success, the Association will need a minimum of $10,000,000, and so that participation in the creation of this memorial fund may be general, it asks for subscriptions thereto from millions of individuals.

Colonel Roosevelt was the greatest American of his generation. He blazed the trail which this nation must travel. Unselfish and sincere in purpose, unswerving in seeking the right and following it, definite and direct in action, with his theory of personal responsibility for wrong-doing and his creed of "the square deal" for all, he gave a lifetime of devoted public service which must stand as an inspiration to the youth of this land for all time. Ardently American, believing profoundly that only through fullest acceptance of America's privileges and responsibilities could the people of this country realize their highest well-being and fulfill their obligations to themselves and to humanity, he set up ideals which it is not only a duty but a privilege to follow.

A memorial to this man will not so much honor him as honor America and the citizens who raise it to him. A contribution to the Roosevelt Memorial will be, in the highest sense, a pledge of devotion to ideal citizenship. Checks may be sent to Albert H. Wiggin, Treasurer, Roosevelt Memorial Assocaition, 1 Madison Avenue, New York City.

HARMONICS

Has it had you worried
In the past few years?
Gee, its had me flurried
Had my wife in tears.

Cannot seem to save a dime
Out of what I earn;
Sure as fate there'll come a time
Then, too late, they'll learn

Of the rights of others, too.
Fortunes may not stand;

Labor must have what is due
In this glorious land.
Very strange this thought of mine
It is caused somewhere;
Note first letter on each line
Get the reason there.

"What is the price this year for a show and a dance? Was the price changed at the last meeting?" asked one member of another.

"Weren't you at the last meeting?" was the reply; "that's the trouble with you fellows; you won't come to meetings. But I'll tell you; all the prices were left the same as last year."

"What was the price last year? I haven't played one of those jobs for so long that I don't remember."

"Neither do I."

HE SUCCEEDED.

Included among the passengers on board a ship crossing the Atlantic recently was a man who stuttered. One day he went to the captain of the ship to speak to him.

"S-s-s-s-s," stuttered the man.

"Oh, I can't be bothered," said the captain, angrily; "go to somebody else."

The man tried to speak to everybody on board the ship, but none could wait to hear what he had to say. At last he came to the captain again.

"Look here," said the captain, "I can tell you what to do when you want to say anything; you should sing it." Then suddenly in a tragic voice, the man commenced to sing:

"Should auld acquaintance be forgot and
never brought to mind
The blooming cook's fell overboard and is
twenty miles behind."

Jno. D. McGuire, Otto Miliken, Al. Marshall and E. C. Carter will join the Hickory Nuts Comedy Co. September 1st. We will sure miss these boys in a social as well as a musical way. They are a part of Sandy Summers' 117th Regt. Band, good musicians and all gentlemen.

Fred A. Du Feu, our popular band and orchestra director, has sold his shoe repair business to Roll Simpson. Fred has not announced his intentions for the future, but some of his friends (?) are urging him to purchase one of the leading restaurants at Oltewau, Tenn., as they think there would be a chance to improve the place and bring it up to date.

Youngstown is planning for the biggest Labor Day celebration in its history. Every union musician here will be engaged and it will be necessary to call for assistance outside of the jurisdiction. The lately organized telephone operators will be in the parade, as will also the steel workers.

It is with profound regret that this office makes the following statement: At the recent primaries our president, H. M. Dunspaugh, was running as a candidate for the nomination of mayor but was defeated by a very wide margin, much to the shame of

union men. He having had the endorsement of Central Labor Congress and various local unions. He was the only one in the race carrying a union card. It is to be hoped that some day the trade unionist will awaken to his opportunities. However, in this case, defeat does not spell disaster, for we will be "bobbing up" again at some future date.

Vastly different from the foregoing is the good word that, largely through the untiring efforts of our president and business agent, H. M. Dunsbaugh, this local has succeeded in negotiating an increase of $7 per week in theaters in this jurisdiction.

After deliberations which lasted some days between the Price List and Executive Committees of this Local and the theater managers, a satisfactory settlement was arrived at on August 4th, whereby our theater boys will receive 100 per cent increase requested and this without one day off duty.

The members of Local 149 are more than grateful to the committees who handled the situation so satisfactorily and special mention must be made of Bro. Leonard Richer, secretary of the Price List Committee, who worked practically day and night for the past four months preparing lists, prices, conditions, attending Sunday, week day and midnight meetings, making changes where necessary from time to time and all done with a good will and with no thought of the tense nervous strain under which he worked. The members have reason to feel proud of such a willing worker and level-headed brother.

Don Romanelli will have charge of the Gayety Theater Orchestra during the coming season.

Arthur Ely, the noted violinist at the Regent Theater, will be the musical director at the new Princess Theater, playing high-class shows, commencing August 25th.

Bud Minier and Mr. Collard with their orchestra played a three-day engagement at Arthur, Ont., in congenial opposition with great success and jazz. Whoa, Fan!

RECORD-SMASHING HITS!

MR. LEADER

These are from the West, where most of the hits now come from. Do you know "Mickey," "Hiawatha," "Smiles," "Vamp," "Sand Dunes," and hundreds of other recent hits came out of the West? You never saw three that looked better for smashing hits, or better dance numbers.

12th Street Rag

Fox Trot Arrangement.

You've been wondering where to get this, the best rag ever written. Well, we are now the publishers, and it's going over big. We are swamped with orders for the song and piano solo arrangements. The orchestra arrangement is great for dancing!

Band or Orchestra, with Saxophones, 25c

LOVE BLOSSOM

Waltz

By Lucien Denni. Arranged by Harry Alford.

The song is wonderfully popular, but that is not the reason we think it will be the biggest waltz hit in the country. It is because it is the most unique, the most melodious waltz melody we ever heard, and the rhythm and style so unusual. Every time the leaders play it, the dancers insist upon its being repeated time and time again.

Don't fail to send for this, the waltz melody of the season.

Orchestra arrangement 25c. Full band 25c.

Cinda Lou

PURE JAZZ

A singing Fox Trot Jazz. By Chas. Beetho.

A wonderful "Get Together" song dance. This is the orchestration of the song which is sweeping through the country like wild fire.

"CINDA LOU" is a natural hit. All we will have to do is to get you leaders to play it once. Just once! Then you will want to play it and your dancers will insist upon having it.

Orchestra 25c With Saxophones Band 25c

We think ourselves wonderfully fortunate in being able to offer you at the same time three such attractive dance numbers. Get them and play them on every job!

HAVE YOU FAITH IN YOURSELF?

ARE you satisfied with your outlook in the profession—don't you feel that you could establish yourself in a position of greater responsibility and incidentally enjoy a better financial future if you had a good, practical, musical education instead of merely knowing how to play one instrument?

If, for instance, your understood Harmony, Counterpoint, Composition, Orchestration—if you could play some other instrument like Piano, Cornet, Violin, Organ, etc. Have you sufficient faith in yourself to try to improve musically and at the same time financially as well? Will you take advantage of our free offer for six lessions which we offer to readers of the INTERNATIONAL MUSICIAN absolutely free of charge in the hope that they may be the means of starting you upon a career which will pay dividends in increased cash earnings, earnings which you couldn't possibly obtain under your present conditions.

Opportunity knocks at every man's door at least once. With the changes inaugurated by the war there will be many opportunities to increase your income—this is your chance—no cost to you—no guessing—just decide which study you want and then get busy with your pen.

Remember the six lessons are only the beginning. We are purely selfish in offering them to you gratis—we have started thousands of others the same way—many took the first lessons out of curiosity—became intensely interested when they saw how practical and extremely valuable they were—and before they knew it they were proficient in another instrument, or had a fine, practical knowledge of Harmony and —they were MAKING MORE MONEY IN THEIR PROFESSION.

They had faith in themselves—they wanted to do better things—bigger things—more profitable things—and they did. Have you the faith to do better things—bigger things—more profitable things in music?—if so sign the coupon today. It costs you nothing and you will benefit much.

Don't wait for this advertisement to appear again. Procrastination is the thief of opportunity as well as of time and there is no time like the present to get busy and make money. Select the course you are interested in and do it now.

Musicians of All Nations, Attention!

What Is It That Bursts Your Drum Head or Your Gut-String?

It's the Mighty Law of Expansion and Contraction

AND HAS COST YOU MANY A DOLLAR

As Manufacturing Chemists we offer you a positive and most welcome remedy for this many centuries old failure, and proudly state that to-day the Army and Navy Bands are able to play their drums in RAIN OR SHINE, COLD or HEAT, and with a pride that is well founded, because of the fact that our RAIN or SHINE DRUM HEADS have positively and under all climatic changes, most satisfactorily solved this heretofore so discouraging problem: DEAD DRUMS in the RAIN. THIS SAME HOLDS TRUE WITH ALL GUT-STRING INSTRUMENTS.

Rain or Shine Drum Head Co.

Chicago.

Gentlemen:-

After having seen an actual demonstration of the use of drum heads which were treated by your process which makes them absolutely rain proof, I desire to give the process my unqualified endorsement.

To me the most wonderful thing about it is that your process makes them not only rain proof but they are not affected by any atmospheric condition. Your discovery of this process is certainly the greatest thing that has occurred for the benefit of drummers since the making of the first drum. Now any drummer who has his attention directed to the benefits he will derive through its use, can go without it is beyond my comprehension.

You may use this letter in any way you desire for I feel if it is given publicity it will benefit the drummers of the country to a far greater extent than you.

With my sincerest wishes for your success, I am

Fraternally yours,

Joe F. Winkler

President, Chicago Federation of Musicians, Local No. 10, A. F. of M.

It is with sincere regret that I report the death of one of our brothers, as his death was a shock to our community by what seemed so untimely. He was just preparing to commence playing for the Home Coming festivities at Whitewood, July 3d, when a severe electrical storm came up and lightning struck the pavilion, killing him instantly.

Local No. 407, Mobile, Ala.

Mobile Local No. 407, A. F. of M., is in a flourishing condition and in spite of the hot weather the members have had considerable work, such as boat rides, moonlight hops and other work. Our big parade Labor Day will require the utmost efforts of our Local to turn out the bands which have been asked for. We expect to turn out three brass bands, every man carrying his union card. If things continue to rush with us we may have to make an effort to dress our lady members up in some kind of a Federation uniform and press them into service beating drums or cymbals. The big parade at Monroe Park for the benefit of the building fund of the Mobile Labor Temple will be a hummer. Music in abundance will be furnished and every form of amusement will be found there.
Percy Hamilton, the last of our members to arrive home from overseas, has arrived. He is a snare drummer and will remain until spring, when he has a partial plan to go with the Ringling Brothers' Shows Band.
Frank E. Davidson, formerly leader of the Empire moving picture house, this city, has resigned and Claude Dehmer, with a transfer card from Jackson, Miss., Local 579, succeeds him. Mr. Davidson, who is a violinist, also plays clarinet and saxophone and will play outside dance jobs.
Messrs. John T. Kern, Jr., and William Van Denbraak, who have for some time filled an engagement at the Strand Theater, Montgomery Ala., have returned to Mobile and are considering several offers for the coming season in moving picture houses.

The Lyon & Healy Improved Own-Make Trumpet

In *Bb* and *A*, Low and High Pitch. Rotary Change to *A*. Adjusting Ring On Third Valve Slide.

THIS instrument possesses, in the highest degree, the distinctive voice quality which marks the difference between the genuine trumpet and the "hybrid" long cornet so often found masquerading as a trumpet. Clear, sparkling and martial in tone, yet possessing in mezzo voce a beautiful, lyric, singing quality, it is the character of instrument demanded by the great writers of oratorio, symphony and grand opera. It has the flexibility, power and timbre necessary to the rendition of the highest class of music. In smoothness of scale, ease of blowing and facility of playing in the extreme high and low registers it has no rival among instruments of its family.

Sold on easy terms if desired, and sent on one week's free trial.

Built in low pitch and supplied with high pitch slides, or in low pitch only, as desired.

This Trumpet is built on perfect trumpet proportions, of the very best materials obtainable, by workmen of the highest class. It is guaranteed for its entire lifetime against any possible defect in workmanship or material.

$90 to $155

According to Finish

Without Rotary Change to *A*, deduct $5.00 in any finish.

The Local is enjoying a bounteous season of prosperity, our members are furnishing music for the festivities of both races and enjoying a popularity they have never before known. The winter season was a busy one with its rush of balls and parties and dances, while the summer season has not slackened the pace of the pleasure seekers, as evidenced by the numerous picnics, outings and dances at pleasure resorts and on boat rides upon the moonlit and glittering bosom of historic Mobile Bay.

The Local is growing steadily and the best of harmony prevails, in spite of opposition which is very disagreeable at times.

Mobile is enjoying unexcelled prosperity due to the high wages offered at shipyards, industrial plants and building activities generally. The demand for music will continue indefinitely.

THE WORLD'S BEST BARITONIST

The Keefer Oxford Model Baritone, which I have been playing for years, I think is by far the best of any which I have had in my hands during a professional career of over fifty years. In this time I have met with every make of any pretensions to high quality, and I can candidly and truthfully say that for beauty and volume of tone, free blowing qualities, and promptness of valve action it is the most perfect instrument made today.

THOMAS FOOKES.

In Dan Godfrey's world-famous "Grenadier Guards Band," of England, Mr. Fookes played Solo Baritone for a number of years. In the British Royal Marine Artillery Band he also played Solo Baritone.

He played Solo Baritone in Walley Reeves "American Band," of Providence, in the days when that was America's greatest band—in the days when Fred Innes and Bowen Church and a host of other celebrities were with it.

President Hayes tendered him the leadership of the United States Marine Band, an opportunity Mr. Fookes had to pass by on account of ill health in his family. Mr. Sousa then became bandmaster of the Marine Band.

Mr. Fookes has played around the world with Sousa's Band several times. He has played several season engagements with Victor Herbert's Orchestra. He played with the Hammerstein Manhattan Opera Companies; with Conreid's Metropolitan Opera Company, and declined a flattering offer to play with the Chicago-Philadelphia Opera Company.

He plays with the Edison Concert Band and the Edison Symphony Orchestra, and is the most sought for Baritonist in New York today.
